# Introduction

This is the second edition of the Directory of Ontario Public Libraries. In it are two sections, the first *Public libraries including branches* and the second *Public Libraries arranged by postal regions*.

With this edition a description of size of library, libraries holding Ontario government publications and the regional library system in which the library is located have been added. Summary of codes used for this information is found below.

Every effort has been made to ensure accuracy and clarity in this directory. However, if an error or omission is found please contact:
